

"Engineering the Rhythm: Second Lines and Assembly Lines"
April 9–11, 2026 | Louisiana State University | Baton Rouge, Louisiana

Dear Company Representative,

We are proud to announce that the Louisiana State University Chapter of the Institute of Industrial and Systems Engineers (IISE) will host the **2026 IISE Southeast Regional Conference**, *Engineering the Rhythm: Second Lines and Assembly Lines*, on **April 9th–11th, 2026**. Each year, industrial engineering students and faculty from across the Southeast gather to exchange academic insights, technical knowledge, and professional experiences. This year's conference will bring together **17 universities**, including:

Auburn University, Florida A&M University – Florida State University, Georgia Institute of Technology, Inter-American University of Puerto Rico, Louisiana State University, Louisiana Tech University, Mercer University, Mississippi State University, Polytechnic University – Puerto Rico, Southern Polytechnic State University, University of Alabama – Huntsville, University of Central Florida, University of Florida, University of Miami, University of Puerto Rico, University of Turabo, and the University of South Florida.

This event provides corporations with **unmatched access to hundreds of top industrial engineering students**, many of whom are actively seeking full-time positions, internships, and co-op opportunities. Your company's involvement supports not only the success of our conference but also the professional development of emerging engineering talent throughout the region.

We invite you to partner with us through any of the following opportunities:

- **Sponsorship at various levels (Purple, Green, Gold, Rex)**
- **Participation in the Career Fair**
- **Providing luncheon or banquet meals**
- **Sponsoring the Crawfish Boil**
- **Hosting the Opening Dinner or other networking events**
- **Supplying shuttle transportation for students**
- **Serving as the Title Sponsor for the conference**
- **Purchasing a table or dinner tickets** for our Closing Banquet with industry partners, students, faculty, and LSU alumni.

Your participation is both welcome and deeply appreciated. Involvement in this conference not only contributes to the educational experience of the attending students but also offers your organization direct engagement with motivated and high-achieving future engineers.

To get involved, please complete the form below or visit iisesoutheastregionalconference2026.com to submit online donations. A conference director or committee chair will follow up with additional details and next steps.

We kindly request responses by **January 31st 2026**, to ensure proper recognition of your organization in all conference materials. Thank you for your time, consideration, and support of our students and the future of industrial engineering.

Sincerely,

LSU IISE Conference Planning Committee
